

Resident Council

Lauren Gibson, MD
Abigail Richison, MD

What is it?

Resident Council (RC) is comprised of residents representatives from all UAMS programs who meet bi-monthly to discuss and solve issues related to educational and work environments.

Things RC has contributed to improve resident experience

Raise in resident salary \$\$\$

1st annual Resident Wellness Week

Contributions continued...

Decreasing cost of family health insurance for residents

Updating resident on-call rooms

Common Work Area with 6 computer stations

Remodeled Kitchen with industrial sized refrigerator

Meetings

- ▶ Meetings are held in Rahn G219
- ▶ Typically meetings are on the first Monday every other month from 5-6 pm
- ▶ Bonus - food is served at the meetings!

Who can join?

- ▶ Anyone!
- ▶ Members are peer selected by their program
- ▶ There is a limit to those selected to serve on the council (1 representative for programs <15 residents, 2 representatives for 16-30 residents, and 3 representatives for 31-60 residents)
- ▶ Have to attend at least 50% of the meetings
- ▶ However; ANY resident can attend the meetings, even if not a representative

In short...

- ▶ Resident Council is a great way to advocate for residents, meet others in different programs and implement changes to improve resident experience at UAMS
