

If you prescribe controlled substances from within the UAMS Health System (Epic), you are encouraged to enroll in the Electronic Prescribing of Controlled Substances (EPCS) program through Imprivata Confirm ID.

A supervised enrollment session will be conducted during New Resident Orientation to provide one-on-one support for enrollment at UAMS. This requires downloading the Imprivata Confirm ID app to your smartphone, and showing two forms of ID (see approved list below).

Imprivata Confirm ID for EPCS will integrate with Epic to support DEA-compliant, two-factor authentication for a fast and efficient EPCS workflow.

To enroll for EPCS through Imprivata Confirm ID:

1. **Download Imprivata Confirm ID to your smartphone.** (If you have forgotten your app store ID or password, follow the instructions from your smartphone service provider.)

For iPhone: Download the free Imprivata ID app from the iTunes App Store and then follow the setup instructions in the app.

For Android: Download the free Imprivata ID app from Google Play, and then follow the setup instructions in the app.

2. **Attend the supervised enrollment session. This drop-in session will be completed during your New Resident Orientation.**
